Merchandise Report

- The form hasn't been put on the website as we are waiting for volunteers to register.
- **Action: Nicola and Matt to put the form on the website ASAP.**

2021/2022 Events

- We will have a decision on QUAFL by end of September.
- Merch should be ready to go by the end of September.

Midwinter/Mudbash

- **Action: Matt to reach out to Newcastle and VQA to lend QA resources to their events**

Quidcamp

- We should start theoretical planning soon, for an online event at this stage.
- We could have a state vs state competition.
- There is the potential for an in-person event if QUAFL is cancelled.

Staff (General)

- We should change the application process, allow people to submit their resumes OR answer a few questions. Different ways suit different people.

- Change the structure to specific projects rather than committees to see if that gets more interest.
- **Action: Nicola to onboard new media staff member**

Staff (QUAFL)

- We have some good applicants but need more
- **Action: Alistair to draft and release social media post for applications**

Referee Training

- An in-person refresher training session would be good.
- We should go aim for in person if possible.

Diversity Proposal

- It is a good proposal but we need more detail
- NSO recognition could help us with resourcing this
- **Action: Nicola to email board feedback**

Gender Engagement

- The panel at State Shield was good. If possible we should repeat this.
- We should be hosting events that empower and bond the community.
- We can look at the strategic plan for ideas.
- **Action: Jamie to organise with Courtney to get some of these ideas moving forward.**

Digital Engagement

- We should get some digital engagement in lockdown.
- Have 'caption this photo', favourite memory posts etc.
- **Action: Nicola to start workshopping media ideas.**

Meeting Closed: 8:30pm
