COVID Update

- QLD & NSW is staying where they are for a week
- SA is moving up a level
- Google drive could be used to improve making the graphics

QUAFL

- We have one grant available to us which is due at the end of the month
- We will start talking about COVID impacts early September, and make a decision by late September.
- Alistair has started working on the budget and committee. We need to announce the location and can then open committee applications. The announcement needs to happen ASAP.
- We need to finalise volunteer incentives before we release applications.
- We need to finalise committee structure. 1 ATD is easier to manager, but 2 means the TD does not need to micromanage the tournament.
- We should change directors to coordinators. Other positions will be officers.

- We need the leaders to be focused on delegating rather than micromanaging.
- Merchandise ideas are; 10 year hat, pin, wristband. Someone from ESU will design a 10 year logo. Bundles were successful for Dropbears 2016, we should do something similar this year.
- **Action: Jamie to organise with AJ and teaser and announcement post for QUAFL location**

General businesses

- Matts documents are ready to go in a day or to, announces this next week after the committee applications
- Strategic forum will be a small online event this year. We will organise a bigger one for early next year.
- There will be a World Cup announcement tomorrow. It will be 2023 in Richmond.
- **Action: Jamie to email clubs for AGM 2020 feedback.**
